AWARDS

Associate of the month

February 2015

At Walmart I was awarded the associate of the month for the month of February for my hard work and dedication

ADDITIONAL INFORMATION

This letter is to express my interest in your current opening , currently i'm pursuing front end and back end development certificate. I believe with my self dedication for a promising career in the field software development and already working hands-on experience using HTML5 , CSS with and without bootstrap and JQuery and basic JavaScript. I am confident I will be an asset to your organization.

I enjoy being challenged and working on projects that require me to work outside my comfort and knowledge set, as continuing to learn new languages and development techniques are important to me and also the success of your organization.

I can be reached anytime via cell phone, 7067188631 or via email at montavius21@yahoo.com.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Thanks
